Statement of Endorsement

Governmental, non-governmental and community organizations play a key role in supporting, inspiring, partnering with, influencing, and connecting higher education institutions with respect to strengthening the health and well-being of campus communities and activating the Okanagan Charter.

By endorsing the Okanagan Charter, we commit to sharing in the Vision and supporting the implementation of the two Calls to Action for Higher Education institutions and Guiding Principles as a means of helping translate the Charter into action. We further agree to participate in local, regional, national or international networks to activate the Charter to inform and support these efforts.
